Mr. Wayne Slater
Counsellor, Immigration
Embassy of Australia
1601 Massachusetts Avenue, N.W.
Washington, DC 20036

Dear Wayne:

This letter amends my December 18, 1980 letter to you and should serve as a simple letter of agreement under which Ruder & Finn agrees to provide.

Services to assist you and your operation as noted herein, including producing a four-page newsletter on the following schedule:

Issue	# 1	February 1	3,000 copies
Issue	# 2	March 1	6,000 copies
Issuc	# 3	April 1	7,500 copies
Issue	# 4	May 1	10,000 copies
Issue	<del>#</del> 5	June 1	10,000 copies

As we discussed, the heart of your mailing list will be the names supplied by your consulates, based on inquiries they receive. But you may not want to limit your circulation to those alone. You may also want to include some names from specialized occupational and trade association lists.

There are substantial savings in cost and time to be gained by producing your publication at a facility that offers both printing and mailing services. Transporting printed newsletters to a mailing house wastes time and costs money, so our recommendation now is to do both away from the Embassy.

1226 TATH BY: NAME OF SECURITIONS

Mr. Wayne Slater January 8, 1981 page 2,

With regard to postage, we recommend Third Class Bulk which currently yields a savings of seven cents a piece over First Class and that will go even higher in a few months. This mail is moved on a "time-permitting" basis, takes up to two weeks for delivery, but should be suitable for the newsletter. Once the first copy is in hand, we will investigate the possibility of second class postage which is cheaper and is delivered faster.

Another way to save on mailing -- though not on postage -- is the use of the self-mailer form of newsletter. This form uses no envelope, but has an address panel. In addition to saving the cost of the envelope, charges for insertion can be avoided.

In summary we are proposing the following:

- 1. Beginning January 8, 1981, Ruder & Finn will provide design assistance, editorial review and supervise the printing, addressing and mailing of five newsletters to be published every month between January and July 8, 1981.
- 2. Our initial project will include design format and the development of a mailing list to be computerized and coded according to name, address, date of entry and occupation. The list will be the sole property of the Embassy.
- 3. We will assist in editing, although the initial draft and material will be provided by your staff.
- 4. We will be available for consultation to promote speaking engagements by your staff. We will arrange for interviews, print and broadcast exposure, and advertising in support of individual engagements whenever and wherever they take place in the United States on a schedule consistent with the time available in the fee.
- 5. The monthly retailer for our services will be \$2,250 or \$13,500 for the first six months of 1981. We are concerned about the start-up time and want to begin no later than the 8th of January 1981 to make sure the schedule outlined here is maintained.
- 6. Our services include consulting and assistance in arranging the design, production, printing, mailing, setting up of the mailing lists and the mailing system, under your

Mr. Wayne Slater January 8, 1981 page 3,

direction and with your approval, with organizations which accomplish such work. Those organizations will submit their bills directly to your operation for payment. We will endeavor to continually work to find ways to keep these costs at the bare minimum, consistent with the quality product that you should expect.

7. Other usual out-of-pocket expenses such as xeroxing, taxis long distance phone calls, representation (such as refreshments at meetings with journalists, etc.), purchase of any specialized research publications or media monitoring etc., should be in the \$300 to \$500 per month range (maybe less). Travel would be additional to provision a maximum for out-of-pocket expenses of approximately \$2,500 with the travel of documentation you require to you separately with the type of documentation you require the following of the consults, Insuration. The contestion you require to the following of the provided and put to the following the first the following of the contestion in the following of the contestion was provided and put to the following of the contestion that it is to be informed individually if such needs occur.

9. We will bill you at the beginning of each month for the \$2,250 retainer and approximately at the end of the month for the expenses incurred during that period.

Wayne, we are committed to doing an outstanding job and are enthusiastic about the possibility of working with you and the staff of the Embassy.
